MEMORANDUM

TO : ALL BIDDERS

SUBJECT : BID BULLETIN NO. 1

FOR : Rebidding for the Procurement of One Hundred Forty-Nine (149) Units of Steel Filing Cabinets

DATE : 01 December 2020

This Bid Bulletin is hereby issued to all eligible bidders for information and inclusion in the Bid Proposal to be submitted to the BAC-PGSM on the Rebidding for the Procurement of One Hundred Forty-Nine (149) Units of Steel Filing Cabinets.

These changes, revisions, modifications or clarifications shall become an integral part of the Contract and Bidding Documents and shall be taken into account in the submission of the sealed proposal.

I. Issues and Concerns

1. Ms. Ferrie Mae Lizaran, from Peniton Trading, conferred that the specification given by the BAC is not standard size for a steel filing cabinet and cited that the dimension for a standard filing cabinet is 130 cm (Height) x 46 cm (Width) x 62 cm (Depth).

ANSWER.

The committee differed with the opinion cited by the prospective bidder and asserted that specifications posted shall be followed. The body explained that for the first bidding of this project, there were three prospective bidders that participated. The bidding resulted into a failure as the projects' bid validity has expired because of the pandemic. Thus, the committee cannot change the specifications posted / declared in the initial bidding.

End of Bid Bulletin No.1 [Rebidding for the Procurement of One Hundred Forty-Nine (149) Units of Steel Filing Cabinets.]
