

MEMORANDUM

31 October 2023

FOR : **ALL PROSPECTIVE BIDDERS**

SUBJECT : **BID BULLETIN NO. 1**

FOR : **SUPPLY AND DELIVERY OF 10 UNITS OF GEOGRAPHICAL INFORMATION SYSTEM (GIS) WORKSTATIONS – HIGH-END DESKTOP COMPUTERS**

This Bid Bulletin is hereby issued to all prospective bidders, for their information and guidance, on the submission of their respective proposals for the **Supply and Delivery of 10 units of Geographical Information System (GIS) Workstations – High-End Desktop Computers.**

These changes, revisions, modifications or clarifications shall become an integral part of the Contract and Bidding Documents and shall be taken into account in the submission of the prospective bidders' sealed proposals.

- I. Issues and concerns raised by the Prospective bidders through their written queries were as follows:

World Solution Technology Inc.

1. Request to lower the specs into i5 processor, 8GB RAM, 512GB SSD Storage, Windows 11 home operating system, integrated graphics or 4-6 dedicated, 1 unit monitor, and remove the UPS and Perpetual MS Office license... or just lessen the quantity of the desktop computers from 10 units to 6-7 units only

ANSWER:

We cannot reduce the specifications, as the primary objective of this procurement is to install a geographic information system (GIS) that must meet the minimum hardware requirements, which include the specifications you're asking to reduce. For instance, if we were to opt for anything less than an i7 processor, the GIS would not function properly. In addition, 16GB is the minimum memory requirement of GIS software.

II. Other amendments and clarifications

1. Schedule of Delivery

Section VI. Schedule of Requirements	PARTICULARS	AMENDMENTS/ CLARIFICATIONS

Delivered Weeks/ Months	Within 50 calendar days upon receipt of an approved Purchase Order	Within <u>90 calendar days</u> upon receipt of an approved Purchase Order.
----------------------------	---	--

2. Technical Specifications

Section VII (A) Detailed Technical Requirements	Particulars	Amendments/Clarifications
(1) Business Enterprise High-end Desktop Computers	<ul style="list-style-type: none"> • Form Factor: Tower Type • Processor: at least i7 vPro 12th Generation or better at least 12 total cores, 20 threads or better at least base frequency of 3.6 ghz/2.7 ghz (P-core/E-core) or better Must have hyper- threading technology • Memory (RAM): 16 GB DDR5-4400MHz Dual Channel • Storage: 1 TB SSD PCIe Gen4 • Dedicated Graphics: NVIDIA T1000 8GB GDDR6 or better • Operating System: Windows 11 Pro 64-Bit • Network Interface: WiFi 6E w/ Bluetooth 5.1 VPro support or above Ethernet Port RJ45- Gigabit Ethernet port • Ports: At least four (4) USB-A 3.2 Gen 2 ports (Front & Rear) At least one (1) USB-C 3.2 Gen 2 (Front) At least one (1) headphone/microphone combo (Front) 	<ul style="list-style-type: none"> • Form Factor: Tower Type • Processor: at least i7 vPro 12th Generation or better at least 12 total cores, 20 threads or better at least base frequency of 3.6 ghz/2.7 ghz (P-core/E-core) or better Must have hyper-threading technology • Memory (RAM): 16 GB DDR5-4400MHz Dual Channel • Storage: 1 TB SSD PCIe Gen4 • Dedicated Graphics: NVIDIA T1000 8GB GDDR6 or better • Operating System: Windows 11 Pro 64-Bit • Network Interface: WiFi 6E w/ Bluetooth 5.1 VPro support or above Ethernet Port RJ45-Gigabit Ethernet port • Ports: At least four (4) USB-A 3.2 Gen 2 ports (Front & Rear) At least one (1) USB-C 3.2 Gen 2 (Front) At least one (1) headphone/microphone combo (Front) DisplayPort or HDMI for dual monitor 750 Watts socket power supply

3. Vendor Qualification

Section VII. Technical Specifications	PARTICULARS	AMENDMENTS/ CLARIFICATIONS
B. Vendor Qualification	<ul style="list-style-type: none"> • The bidder must have at least five (5) years of existence in the ICT Industry and shall submit valid Securities and 	

	<p>Exchange Commission Registration and/or valid Department of Trade and Industry Registration.</p> <ul style="list-style-type: none"> ● The bidder shall submit a certified true copy of a valid Certificate of Distributorship / Dealership / Reseller-ship or Professional Partnership with the distributor/manufacturer of the brand being offered. ● The bidder must have a regional presence and must submit a specific list of manufacturer's authorized active service centers and/or partner alliances or service bases in all regions nationwide. The bidder shall deliver the products to LRA and shall provide all end-user offices the necessary onsite support, manufacturer's central support hotline, and email. A copy of the addresses will be provided. ● The bidder must propose a computer desktop brand model that is compliant with IEC or ISO and MIL-STD-810H Certifications. ● The supplier shall submit the name of at least one (1) regular employee during the duration of warranty and support services. Shall submit a copy of certification documents, CV and copy of company ID, contact number, email address as proof. ● Quality assurance is expected from the bidder, such that any error or fault in any hardware, peripherals, pre-installed mandatory software, and installation tools delivered during the implementation shall be acted upon, resolved, mitigated, and/or replaced accordingly at no cost to the organization. Likewise, upon final project bidder acceptance, the bidder is required to provide after-sales service and assurance that all equipment and installation are accurate, complete, operable, uncompromised, and error-free during the warranty period. 	<p>No amendment.</p>
--	---	----------------------

4. Warranty and Support

Section VII. Technical Specifications	PARTICULARS	AMENDMENTS/ CLARIFICATIONS
--	-------------	-------------------------------

<p>C. Warranty and Support</p>	<ul style="list-style-type: none"> ● Supplier shall provide three (3) years warranty certificate on parts and labor, including onsite support and services certified by the brand/manufacturer covering the period. Shall submit a copy of certification. ● Supplier shall provide onsite technical support during office hours from 8:00 AM to 5:00 PM upon request. Hardware repairs or other troubleshooting shall be done at the location of the requesting office. In addition, the supplier must provide a list of service centers nationwide with complete address, central hotline number and email address of the brand/manufacturer being offered. ● Supplier shall provide support upon receipt of report (i.e telephone call, SMS message, email) within three (3) hours. Support can be provided thru onsite support, telephone, email, online video message, online video calls to provide needed assistance and instruction. ● Defective units shall be replaced within 24 hours upon “release” of the defective unit, covering the period of warranty. Service units shall be provided to the end-user, with the same specifications or better. Service unit shall remain with the end-user until the defective unit is repaired or replaced. ● Request for support received beyond office hours shall be immediately addressed on the next business day. 	<p>No amendment.</p>
--------------------------------	--	----------------------

Please be reminded that all queries after the release of this Bid Bulletin will not be entertained. All provisions, conditions and statements in the bidding documents inconsistent with this Bid Bulletin are either modified or rendered ineffective, as the case may be.
