MEMORANDUM

24 November 2023

FOR : **ALL PROSPECTIVE BIDDERS**

SUBJECT : **BID BULLETIN 1**

FOR : **SUPPLY AND DELIVERY OF 14 UNITS OF HIGH-END DESKTOP COMPUTER (LOT 1)**

This Bid Bulletin is hereby issued to all prospective bidders, for their information and guidance, on the submission of their respective proposals for the Supply and Delivery of 14 Units of High-end Desktop Computer (Lot 1).

These changes, revisions, modifications or clarifications shall become an integral part of the Contract and Bidding Documents and shall be taken into account in the submission of the prospective bidders' sealed proposals.

I. Issues and Concerns

Mr. Exxon C. Combes of NSPIRE Inc. submitted written queries concerning the following:

1. "May we respectfully request the amendment to a higher specification of Intel Core i7 13th Generation in order to avoid detriment to the agency in terms of after sales service and warranty. The 11th Gen and 12th Gen processors for any particular desktops are models that are soon to be phased out. The principal brands will no longer produce old generation processors particularly, 11th and 12th generation desktop processors. The agency or any of its suppliers will have difficulty in outsourcing these processors in the event of warranty claim or after sales service support. Having the latest processor will also be beneficial for the government in terms of hardware performance, warranty, parts and services segment of this project."

ANSWER: Further review was conducted with the technical specifications of the processor for the equipment, the Committee resolved to set the minimum requirement to **i7 13th generation.**

2. "May we respectfully request the amendment of either a) the quantity requirement of the desktops or b) allow the proposal of another technical specification to meet the budget and purpose of the project. Based on our thorough analysis of the ABC, we

determined that the SRP for the technical specification requirement is 47% in excess of the ABC. In order to meet the budget and required specification, we recommend the reduction of units to eight (8) units instead of fourteen (14) units. Another recommendation is for the proposal of another technical specification that can meet the budget and compatibility requirement of Auto cad Software as stated in the Philippine Bidding Documents. Please see the proposed technical specification:

1. Desktop Model 1

- Intel® Core™ i7-13700F (up to 5.2 GHz with Intel® Turbo Boost Technology, 30 MB L3
- cache, 16 cores, 24 threads)
- Intel® H670
- 16 GB DDR4-3200 SDRAM (1 x 16 GB) *
- 512 GB PCIe® NVMe™ M.2 SSD; 1 TB 7200 rpm SATA HDD
- Windows 11 (32-bit)
- 2 x PCI Express Slots (1 x PCI-Ex16,1 x PCI-Ex1)
- 2 x M.2 Expansion Slots (1 for SSD; 1 for WLAN)"
- HDD 3.5" x 2 (or HDD 3.5" x 1 + HDD 2.5" x1) + 9.5mm slim ODD x 1
- 27" FHD Monitor
- NVIDIA® GeForce® GTX 1660 SUPER™ (6 GB GDDR6 dedicated) *
- 350 W 80 Plus Gold certified power supply
- White Wireless Keyboard and mouse combo
- 6.10 x 11.42 x 13.27 in
- 13.14 lbs
- Integrated 10/100/1000 GbE LAN
- Wi-Fi 6 (2x2) and Bluetooth® 5.3 wireless card (supporting gigabit data rate)
- Front: 2 SuperSpeed USB Type-A 5Gbps signaling rate; 2 SuperSpeed USB Type-A-10Gbps signaling rate; 1 SuperSpeed USB Type-C® 5Gbps signaling rate; Rear: 4 -USB 2.0 Type-A
- Warranty 3 years
- ENERGY STAR® certified; EPEAT® Silver registered;

2. Desktop Model 2

- Form Factor: 9 Liters Windows 11 Professional 64-bit
- Intel Core i7 13700 13th Generation with: P- core2. 10GHz, E-core1.50GHz, Max Turbo
- Frequency: P-core5.10GHz, E-core4.10GHz, Total
- Cores: 16, # of P-cores8, # of E-cores8, Cache: 30MB Intel® Smart Cache, Total Threads24, L2
- NVIDIA® GeForce® GT 730 with 2 GB DDR3
- 16GB (1 × 8GB) DDR4 3200 MHz up to 64GB
- 1TB M.2 PCI-e SSD
- Intel UHD Graphics Audio: Integrated high-definition, 5.1-channel surround sound
- Networking/LAN: Gigabit Ethernet 10/100/1000
- Power Supply: 180 W
- Standard I/O Ports: Front/Side 1/ connectors: -Card reader: N
- Audio jack(s): 1
- USB 3.2 Gen1 Type A port(s): 4
- USB 2.0 Type A port(s): 4
- Wi-fi 6 Adapter
- Rear I/O connectors: -D-Sub port(s): 1
- 27" Monitor IPS
- Port 1 ; HDMI-out 1.4b
- DisplayPort (DP) port1.5H Zero-Frame Monitors: 1
- Serial ports on board header (COM2):1

- 1 Lan Port ; 3 Audio Jack
- USB Wired keyboard and USB Wired mouse
- 3 years warranty (Parts and Labor)
- Bluetooth WLAN

ANSWER: The Committee resolved **not to decrease the units of high-end desktops.** Decreasing the number of units will hamper our day-to-day operations.

3. “May we respectfully request the amendment of Energy Star Certified Label to Manufacturer Standard in order to allow more able brands and models of desktops that do not have Energy Star Certified Label.”

ANSWER: The Committee resolved to relax the specification to the **manufacturer’s standard.**

Ms. Hazel Joy D.T. Lacdo-o of Pronet Systems Integrated Network Solution Inc. submitted written query concerning the following:

4. “We would like to request to remove the Learning Management System (LMS) or put it in a separate lot for us to join in the bidding because our company only provides hardware/equipment.”

ANSWER: The Committee resolved to **remove the LMS requirement** for this equipment. These desktops will be used for Geographical Information System (GIS) and AutoCAD.

Please be reminded that all queries after the release of this Bid Bulletin will not be entertained. All provisions, conditions and statements in the bidding documents inconsistent with this Bid Bulletin are either modified or rendered ineffective, as the case may be.

End of Bid Bulletin No. 1 [Supply and Delivery of 14 Units of High-end Desktop Computer (Lot 1)]
